--------------	----------

Hind.QuartetEffect *Hind.QuartetEffect*

Description

It contains computed quartet effect for Hind array. Those were computed on some normal samples of the hapmap dataset.

Nsp.QuartetEffect *Nsp.QuartetEffect*

Description

It contains computed quartet effect for Nsp array. Those were computed on some normal samples of the hapmap dataset.

Sty.QuartetEffect *Sty.QuartetEffect*

Description

It contains computed quartet effect for Sty array. Those were computed on some normal samples of the hapmap dataset.

Xba.QuartetEffect *Xba.QuartetEffect*

Description

It contains computed quartet effect for Xba array. Those were computed on some normal samples of the hapmap dataset.

quartet *Quartet Info example for the vignette*

Description

An example for the vignette

Usage

data(quartetInfo)

snpInfo *snp Info example for the vignette*

Description

An example for the vignette

Usage

data(snpInfo)
